

## BE THE FIRST TO SAY HELLO AT TOTEM POLE PLAYHOUSE'S NEW

# A Season for Every Story Garden

Nestled in the heart of Michaux State Forest, Totem Pole Playhouse has long been known for its iconic summer Broadway theatre tradition. Now, as we celebrate our 75th anniversary, we are expanding that legacy into a three-season venue. To commemorate this transformative moment, we are creating A Season for Every Story Garden—a three-season garden gracing the entrance of the theatre as a living, blooming welcome mat, greeting thousands of theatre-goers annually.

**And YOU can be the first to say hello!** A Story for Every Season Garden provides opportunities for your message to welcome guests with custom-engraved stones, benches, or wooden statues. We have coupled these artistic features with fun events, premium access, and marketing packages to ensure your business grows right along with us.
